

KEURIG® COMMERCIAL

# K·Cycle™

K-Cup® Pod  
Recycling Program

*The K-Cycle™ program offers businesses  
a simple way to recycle and compost  
brewed Keurig® K-Cup® pods.*

**YOU RETURN. WE RECYCLE AND COMPOST. EVERYONE WINS.**

### 1. ORDER BOXES ONLINE

Visit [KeurigKCycle.com](http://KeurigKCycle.com) and place order for Large or Small K-Cycle™ bins to be shipped directly to you.

### 2. ASSEMBLE AND COLLECT K-Cup® PODS

Remove one bin from the pack of 5 and assemble by folding each numbered flap sequentially. Once bin is full, seal inside liner with included zip-tie.

### 3. PREPARE FOR SHIPMENT

Tape the bin closed with a piece of packing tape. Once bin is ready for shipment, call UPS for pick-up or place in UPS pick-up area of your building. Ship back immediately due to organic contents within the bin.

**Place a new order for bins once the 4th collection bin is assembled for use.**

#### LARGE BIN

Capacity: up to 450 K-Cup® pods  
Dimensions: 10" x 10" x 24"

#### SMALL BIN
